Qualifications not met (See Section 3)	\$5,000.01 or greater 0.00 / 0.00								

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all earning accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. Navigator Savings, Quest Money Market, Venture Checking, and Youth Checking accounts are tiered rate accounts. The balance

ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Navigator Savings and Quest Money Market tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. For Venture Checking and Youth Checking tiered accounts, refer to sections 2 and 3 for more details about these accounts.

2. VENTURE CHECKING — For Venture Checking accounts, you may earn a higher interest rate and annual percentage yield if you meet the applicable minimum qualification requirements for each monthly qualification cycle. To meet the minimum qualification requirements, you must: 1) have a direct deposit of at least \$200.00 post and settle your account; 2) make 10 debit card purchases

that post and settle your account; 3) be enrolled in and log into online banking monthly; 4) be enrolled in and receive eStatements; and 5) be enrolled in and receive eNotices. The Venture Checking account is a tiered rate account. If you meet the minimum qualification requirements during the monthly qualification cycle, you will earn the first interest rate and annual percentage yield listed in the Rate Schedule for this account on balances of \$5,000.00 or less. You will earn the second interest rate and annual percentage yield on balances over \$5,000.00. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the third interest rate and annual percentage yield as listed in the Rate Schedule will apply to the entire balance in your Venture Checking account.

3. YOUTH CHECKING — For Youth Checking accounts, you may earn a higher interest rate and annual percentage yield if you meet the applicable minimum qualification requirements for each monthly qualification cycle. To meet the minimum qualification requirements, you must: 1) make 10 debit card purchases that post and settle your account; 2) be enrolled in and log into online banking monthly; 3) be enrolled in and receive eStatements; and 4) be enrolled in and receive eNotices. The Youth Checking account is a tiered rate account. If you meet the minimum qualification requirements during the monthly qualification cycle, you will earn the first interest rate and annual percentage yield listed in the Rate Schedule for this account on balances of \$5,000.00 or less. You will earn the second interest rate and annual percentage yield on balances over \$5,000.00. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the third interest rate and annual percentage yield as listed in the Rate Schedule will apply to the entire balance in your Youth Checking account.

4. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

5. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

6. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Holiday Club Savings accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

7. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Regular Savings, Secondary Savings, Youth Savings, and Advantage Savings accounts, there is

a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

8. ACCOUNT LIMITATIONS — For Holiday Club Savings accounts, the entire balance will be transferred to another account of yours on or after November 1 and the account will remain open. The Youth Savings is transferred to a Regular Savings at the age of 18. For Quest Money Market accounts, you may make six (6) withdrawal(s) or transfer(s) from your account each month. If you exceed this limitation, you will be charged a fee as disclosed in the Schedule of Fees and Charges. Youth Checking is not available after the age of 24. For Regular Savings, Secondary Savings, Advantage Savings, Navigator Savings, IRA Savings, HSA Checking, Navigator Checking, Venture Checking, and Youth Checking accounts, no account limitations apply.

9. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types

of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

10. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
